MEMORANDUM FOR: Mr. Robert Amory, Jr.  
NSC Planning Board Adviser  
Central Intelligence Agency

SUBJECT: Cruise Aboard Nuclear-Powered Submarine

In the light of the discussion which followed Mr. Gray's announcement at Tuesday's Planning Board meeting that the Chief of Naval Operations had invited the Members of the NSC Planning Board to take a short cruise on a nuclear-powered submarine, Admiral Triebel's office has arranged the following schedule:

Depart Anacostia 3:30 p. m. local time  
Sunday, May 10

Arrive New London 5:15 p. m. and  
remain overnight, May 10

Submarine under way 8:00 a. m. to  
afternoon of Monday, May 11

Tours of installations, late afternoon,  
May 11

Depart New London 5:00 p. m.,  
arrive Anacostia 6:45 p. m., May 11

It is requested that you inform this office as early as feasible whether you will be able to participate in this trip.

MARION W. BOGGS  
Director, Policy  
Coordinating Secretariat
